हे शारदे माँ, हे शारदे माँ,
अज्ञानता से हमें तार दे माँ

हम भी तो समझे, हम भी तो जाने,
विद्या का हमको अधिकार दे माँ
हे शारदे माँ, हे शारदे माँ...

तू स्वर की देवी ये संगीत तुझ से,
हर शब्द तेरा है हर गीत तुझ से,
हम है अकेले, हम है अधूरे,
तेरी शरण हम हमें प्यार दे माँ
हे शारदे माँ, हे शारदे माँ...

तू श्वेत वर्णी कमल पे विराजे,
हाथों में वीणा, मुकुट सर पे साझे,
मन से हमारे मिटाके अंधेरे,
हमको उजालों का संसार दे माँ
हे शारदे माँ, हे शारदे माँ...

मुनियों ने समझी, गुनियों ने जानी,
वेदों की भाषा, पुराणों की बानी,

PRINCIPAL'S MESSAGE

Dear Students,

Welcome to the Academic World School, a school that believes in making a difference in the life of every child we admit. Fostering the spirit of excellence in all spheres of life is the focus of the School. In this era of globalization and continuous quest for excellence and quality, we believe in the pursuit of creating a curriculum-rich in content, diverse in approach, flexible in methods and democratic in nature.

The priority is to make learning a fun filled activity for Tiny-Tots. We make conscious efforts to create opportunities where the students explore and develop basic skills instinctively. The heart of education is after all the education of the heart. It is with this purpose, we wish to use this almanac.

We shall appreciate if parents go through the rules and regulations of the School in the Almanac and help their wards adhere to the same while making the best of the general information provided. The parents should duly acknowledge all entries made by the teachers. Let us be partners in giving our children the roots and the wings too. Looking forward to your continued and valuable support and cooperation.

Instilling good values among students and challenging them to think remains the school's hallmark.

With best wishes,

Jashvir Chaudhary

Principal

MESSAGE FROM THE CLASS TEACHER

Dear Parents,

It has been aptly said that parents are the first and the most important teachers for their child. They are invaluable partners to the school in the child's education. The more involved the families are, the greater the children's all-round success in school and in life.

For this, parents must extend their support in specific ways :

- Go through the circulars sent by the school and to prepare the child for the upcoming activities.
- Do fill up the Feedback Form accurately helping us to evaluate ourselves and make adjustment, if needed.
- Do conduct the activities at home recommended for home-work. This helps in the optimal development of the child in certain areas like family values and social interaction that can only be learnt in the home environment.
- Do help your child prepare for the performances and presentations in the school. This is a great morale-booster for the child. Winning is not everything. Your child's participation in the events and celebrations itself give great exposure.
- Make a file of the circulars, reports and other material received from school and file any new document that comes in the school diary. This will serve as a ready-reference.
- Do visit the school whenever invited for meetings, seminars and celebrations. Your child is greatly encouraged when he/she performs in various events in your presence.
- You are therefore, requested to participate in these interactions wholeheartedly for giving the best to your child. Please feel free to contact the school whenever required.
- It is our pleasure to welcome you as a member of the Academic World School family. I assure all the parents that their children are in the safest hands while at the School.

Class-Teacher

SCHOOL PROGRAMMES

Coordinated efforts of the school and the parents result in the best all-round development of the child. The results are brilliant when the school and the parents work in harmony.

Group Discussions prepare the parents and the children to fulfill the admission formalities of formal schools. Information about admission dates, assistance in filling up forms etc are provided. Eminent educationists help parents deal with all admission related queries.

Pre-primary teaching aids showcase the creativity of the little children and the tools and methods of pre-nursery education developed by the school. This helps the parents in understanding the child better to participate more meaningfully in their schooling and know more about school activities.

The Introductory Meeting is the first interaction between the parents and the school after the child's admission. On this occasion, parents are familiarized with the school's systems, activities and methods of teaching. They get an overview of how their child will have an all-round development over the year. The parents meet the principal, the teachers, the school and the staff, and begin a fruitful parent-school partnership.

Parents' Orientation Seminar is being planned to be organized for the direct benefit of parents. At these sessions, leading educationists, child psychologists and child specialists advise parents on good parenting skills. The parents gain invaluable tips and an understanding of their right role as parents. They also get an understanding of child psychology to better deal with anxious moments.

Parent Teacher Meetings and Presentations held frequently offer the parents an opportunity to see and analyze the progress of their child. They can actively participate in the child's schooling and provide inputs that help the teachers. The children display what they have learnt at school, to the delight of parents and teachers alike. Performing in presence of parents, the children feel important and their confidence gets a big boost.

Parent-school interaction at various celebrations, events and meetings organized by the school is vital. This interaction ensures the overall development of the child, including emotional, physical, social, intellectual and language

SCHOOL PRAYERS

development. All the parents are invited to the school on the occasion of PTM and other important events in one year in course of a continuous partnership and interaction with the school. Every visit is important and meaningful, and must not be missed.

Birthday Celebration for every child is held in the school that enhances the child's self-esteem, and gives social poise to the little ones. This celebration makes the family bond stronger and makes the child emotionally balanced.

Sports Day of the school is full of fun where the little ones and the staff participate in special sports events. Parents see the physical development of their child displayed in various games and events in a spirit of healthy competition. This activity inculcates the spirit of sportsmanship in the child, nurturing the value of good health early in life, and is a must for the parents.

Annual Day is a grand celebration of the school graced by the top dignitaries of the city and renowned artists of national and international fame. Each child participates in the day-long stage presentation and selected children receive prizes for excellence through out the year. Proud parents see the culmination of the year-long achievements of their child and encourage the little ones who confidently stage the shows before the dignitaries.

Grandparents' Day is celebrated in a grand way with the enthusiastic participation of the grandparents of our children. This is for honouring, respecting, showing love and receiving blessings from the grandparents for the children and the entire family. This celebration, full of dance, music, fun and joy, serves to inculcate family bonding and good family values in the children. Grandparents are important for the healthy growth and strong character of the little ones.

Performances of children include diverse themes on Recitation and Fancy Dress to which parents are invited. Parents are delighted to see their child excelling in group and solo performances. This is the biggest achievement of the child's life at this stage.

We look forward to your active participation in all these occasions, which shall be great moments of your child's growing up years that you will always cherish.

It is a pleasure to welcome you as a member of the growing AWS family.

हर देश में तू, हर भेष में तू
तेरे नाम अनेक, तू एक ही हैं।
तेरी रंग भूमि, यह विश्व धरा,
हर खेल में, मेल में तू ही तो है।।
हर देश में.....

सागर से उठा बादल बनकर,
बादल से गिरा जल होकर के।
फिर नहर बनी नदियाँ गहरी
तेरे भिन्न प्रकार तू एक ही है।।
हर देश में.....

मिट्टी से अणु परमाणु बना,
तूने विश्व जगत का रूप लिया।
फिर पर्वत वृक्ष विशाल बने,
सौन्दर्य तेरा तू एक ही है।।
हर देश में.....

यह दृश्य दिखाया है जिसने,
वह है गुरुदेव की पुण्य कृपा।
कहीं और ना कोई रूप दिखा,
बस मैं और तू सब एक ही है।।

हम को मन की शक्ति देना

हम को मन की शक्ति देना, मन विजय करें
दूसरो की जय से पहले, खुद को जय करें ।

भेदभाव अपने दिल से साफ कर सकें
दोस्तों से भूल हो तो माफ कर सकें
झूठ से बचे रहें, सच का दम भरें
दूसरों की जय से पहले खुद को जय करें ।।

मुश्किलें पड़े तो हम पे इतना कर्म कर
साथ दें तो धर्म का, चलें तो धर्म पर
खुद पे हौसला रहे बदी से न डरे
दूसरों की जय से पहले खुद को जय करें ।
