CHAIRPERSON'S MESSAGE

Respected AWS Community,

With immense pride and heartfelt joy, I extend my warm greetings to each one of you as we unveil this edition of our E-Magazine. This edition stands as a vibrant tapestry woven with the colours of dedication, creativity, perseverance and triumph that have illuminated our campus in recent months.

The Annual Function was not merely an event; it was a magnificent celebration of youthful exuberance and artistic brilliance. The stage came alive with graceful dances, melodious renditions, compelling theatrical performances and inspiring presentations that reflected the boundless potential of our students. Each performance echoed the silent hours of practice, the unwavering guidance of our teachers and the steadfast support of parents. The applause that filled the auditorium was, in truth, a tribute to collective effort and shared dreams.

Equally commendable were the diverse educational initiatives and in-and-out programmes conducted during this phase. Enrichment activities, awareness drives, literary events, competitions and community outreach programmes broadened horizons and strengthened character. These platforms empowered our learners to step beyond textbooks, embrace experiential learning and cultivate leadership, empathy and confidence.

Our institution believes that education is not confined to academics alone; it is the harmonious development of mind, heart and spirit. Every milestone achieved during this period reaffirms our commitment to nurturing responsible citizens and compassionate leaders of tomorrow.

I sincerely appreciate the relentless dedication of our faculty members, the enthusiasm of our students and the trust of our parents. Together, we have created an environment where aspirations take flight and excellence becomes a habit.

May this E-Magazine inspire us to dream bigger, strive harder and shine brighter in all our future endeavours.

With blessings and best wishes,

MRS. BHAWNA BOHRA
CHAIRPERSON

Mrs. Bhawna Bohra
Chairperson

FROM PRINCIPAL'S DESK

Dear Readers,

It is a privilege to introduce this edition of Outlook, our E-Magazine that captures the rhythm of life at Academic World School. Each report and reflection within these pages is a window into the dynamic learning environment we strive to create—an environment where knowledge, creativity, and character grow hand in hand.

The past months have been a journey of discovery and achievement. Our Annual Day 2025-26 was not only a celebration of talent but also a demonstration of how confidence and collaboration transform learning into art. The stage became a canvas where music, dance, drama, and oratory blended seamlessly, reminding us that education is as much about expression as it is about comprehension.

The Annual School Exhibitions further highlighted this philosophy. Students presented projects that ranged from artistic craftsmanship to cutting-edge robotics, from cultural narratives to social awareness campaigns. These exhibits were not simply displays; they were lessons in innovation, teamwork, and responsibility—skills that will serve our learners far beyond the classroom.

This edition also records the Farewell and Convocation Ceremony for Class XII, a moment of transition filled with nostalgia and promise. As our graduates step into new horizons, they carry with them the values of discipline, humility, and resilience that AWS has nurtured. Their journey reminds us that education is both a legacy and a launchpad.

Festivals and national celebrations such as Republic Day, Lohri, Christmas and Holi brought joy and unity to our campus. These occasions reaffirm that schooling is not only about academics but also about cultivating identity, empathy, and respect for diversity.

Learning beyond textbooks remained a cornerstone of our approach. Industrial visits and excursions, including the insightful trip to the High Court of Chhattisgarh, offered students real-world exposure and deepened their understanding of justice, civic responsibility, and professional life.

We are equally proud of our students' achievements in Olympiads and national competitions, which reflect their perseverance and innovative spirit. Their success is a reminder that excellence is not an act but a habit.

As you read through Outlook, I hope you find inspiration in the stories of effort and accomplishment. In the words of W.B. Yeats, "Education is not the filling of a pail, but the lighting of a fire." At AWS, we remain committed to kindling that fire—nurturing minds, shaping character, and preparing leaders for tomorrow.

Warm regards,

MR. GIRISH KUMAR

FROM VICE PRINCIPAL'S DIARY

Dear Readers,

Education for excellence goes far beyond high marks. True excellence emerges when schools create an ecosystem that blends academic planning with co-curricular and extracurricular activities, ensuring the all-round development of students. In today's rapidly changing world, learners need not only knowledge but also skills, exposure, values, creativity, and emotional balance to succeed in life.

Excellence in education requires a harmonious blend of physical, intellectual, emotional, and social growth, ultimately shaping the character of a good human being. A thoughtfully designed Annual Planner can provide these opportunities, provided it is created with a vision for holistic growth and the expectations of parents and the wider community. Such planning demands thorough discussion and brainstorming to make it practical, enjoyable, and productive.

Academic planning forms the foundation of quality education. A well-structured curriculum, clear objectives, effective teaching strategies, and systematic assessment methods ensure meaningful learning. Careful planning helps teachers cover the syllabus while encouraging critical thinking and problem-solving. It brings discipline, consistency, and measurable progress. Yet, planning must remain flexible—rigidity or an exam-centric approach can stifle curiosity and creativity.

Equally important is all-round development, which shapes personality and character. Schools must nurture physical, emotional, social, moral, and creative growth. Sports, arts, music, debates, drama, community service, and leadership programs help students discover talents and build confidence. Participation in these activities fosters teamwork, communication, and resilience—qualities essential for success beyond academics.

A balanced approach ensures that academic learning supports personal growth, and personal growth enriches academic performance. Sports instill discipline and perseverance, enhancing focus in studies. Cultural activities encourage creativity, which fuels innovation in academics. Value-based education builds responsible citizens who apply knowledge ethically.

Education for excellence can be compared to building a strong and beautiful house. Academic planning provides the solid foundation, while holistic development adds strength, colour, and vitality. A house with only a foundation but no ventilation or decoration is rigid and lifeless; one with decoration but no base collapses. Similarly, true excellence requires balance between structure and enrichment.

Teachers and educators act as gardeners, nurturing young minds with both nourishment and space to grow. Excessive academic pressure may stunt creativity, while too little structure may weaken discipline. A balanced schedule that integrates classroom learning with sports, arts, and value education creates well-rounded individuals.

Education for excellence is not a choice between academics and holistic growth—it is the art of blending both meaningfully. Only when knowledge is combined with skills, values, and creativity can true excellence be achieved. A holistic approach prepares students not just for examinations, but for life itself.

FROM ASSTT. VICE PRINCIPAL'S DESK

Dear Students

Sow an act, and you reap a habit; sow a habit, and you reap a character.

The difference between an amateur and a professional lies in their habits. Dreams are beautiful, but they remain dreams unless supported by persistent and consistent effort. School routines act as the forge where raw potential is shaped into resilient character through discipline, responsibility, and social-emotional skills. By repeating small actions daily, students build “mental muscles” that serve them long after they leave the classroom. Modern education has moved beyond rote memorization to emphasize holistic development, and it is structured routines that transform conscious effort into automatic habits, preparing students for adulthood.

Students learn emotional intelligence and resilience when faced with exams, social challenges, or athletic competition. A growth mindset teaches them to see setbacks as feedback, perseverance builds grit, and confidence grows as they meet daily requirements. Structured routines also instill self-discipline and focus. Time management, delayed gratification, independence, and goal setting become second nature through daily practice. Accountability and leadership are fostered when students take responsibility for tasks and roles, learning to collaborate and lead with empathy and fairness. Habits of reflection, journaling, and kindness strengthen self-awareness and social harmony, while group projects and team activities nurture communication and empathy. Routines also enhance cognitive flexibility, reducing mental load and freeing energy for creativity and problem-solving.

The impact of these habits extends far beyond the classroom. Predictable, healthy routines equip students with discipline, resilience, and social maturity to thrive in a rapidly changing world. In the end, good habits form the invisible architecture of success. Though a single positive action may seem small, its consistent repetition compounds into lasting character traits that define a purposeful life. Schools, therefore, are not just centers of learning but crucibles of character, shaping individuals who can adapt, lead, and contribute meaningfully to society.

Warm Wishes

Excellence in Academics: SOF Olympiad Achievements

Our school community is beaming with pride following the stellar performance of our students in this year's Science Olympiad Foundation (SOF) examinations. Demonstrating exceptional intellectual rigor, 615 students from Classes 1 to 12 participated across a diverse range of disciplines, including Mathematics, Science, English, and General Knowledge.

The results reflect our students' unwavering dedication and the high academic standards maintained at our institution. Our young scholars brought home an impressive haul of accolades, securing a total of 95 Gold Medals. The breakdown of top honours includes:

- NSO : 31 Gold Medals
- IMO : 30 Gold Medals
- IEO : 7 Gold Medals
- IGKO : 12 Gold Medals
- Specialized Subjects (ICO, ISSO, ICSO, IHO): 15 Gold Medals

We extend our heartiest congratulations to all participants for their commendable efforts. We also express our sincere gratitude to the teachers and parents whose steadfast guidance and support were instrumental in this success. We remain committed to fostering such excellence and look forward to reaching even greater milestones in the coming years.

Annual Exhibitions at AWS: Where Creativity Meets Confidence!

The 15th Annual Function of Academic World School wasn't just a celebration—it was a showcase of brilliance! Our campus transformed into a vibrant hub of innovation as students took us on a journey through the various domains of school life.

From the soul-stirring Nine Rasas of Lord Shiva and their modern-day relevance to the high-tech frontiers of Robotics and AI, our students didn't just display projects—they owned the stage!

Highlights of the Exhibition:

Artistic Flair: Stunning displays of Painting and Pottery.

Innovation Lab: Mind-bending Science, AI, and Robotics stalls.

Global Citizens: Insights into AFS and IAYP journeys.

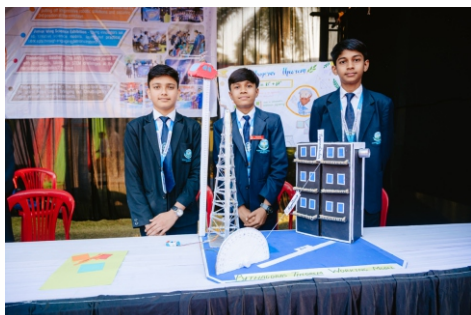

Discipline in Action: The pride of the NCC stall.

Life-Saving Skills: Our hands-on CPR demonstration on a dummy became a crowd favourite!

Showstopper Alert: The Nukkad Natak on Financial Literacy absolutely stole the show! We were honoured to receive high praise from our Chief Guest, Shri OP Choudhary (Cabinet Minister, Govt. of Chhattisgarh), who lauded the students' impact and performance.

The exhibition was a true reflection of talent meeting opportunity. With poise and passion, our young achievers explained complex concepts with remarkable confidence — proving that at AWS, education nurtures not just knowledge, but character and courage.

Kudos to our budding innovators and performers for making the Annual Exhibition 2025-26 an inspiring celebration of excellence!

A Symphony of Talent: 15th Annual Function Celebrated with Grandeur

Academic World School, Bemetara marked a historic milestone with the celebration of its 15th Annual Function. The event was a magnificent showcase of culture, discipline, and artistic excellence, leaving an indelible mark on all who attended.

The occasion was graced by the Chief Guest, Shri OP Choudhary, Cabinet Minister, Govt. of Chhattisgarh. He was warmly received by our Chairperson, Mrs. Bhawan Bohra, and School Mentor, Mr. Manish Bohra. The presence of such distinguished leadership added a layer of inspiration to the evening's festivities.

Highlights of the Cultural Extravaganza

The stage served as a canvas for our students' versatility, featuring performances that ranged from high-energy spectacles to soulful tributes:

- **The Shiv Act:** A mesmerizing display of energy and rhythmic precision.
- **Operation Sindoor:** A powerful narrative that stirred deep emotions within the audience.
- **A National Tribute:** A heartfelt homage to Bharat Ratna Late Shri Atal Bihari Vajpayee Ji, which resonated with grace and respect.
- **Social Impact:** A compelling Nukkad Natak on Financial Literacy that combined entertainment with vital life lessons.

The evening concluded with a standing ovation from parents and dignitaries, celebrating the passion and dedication of our students. This 15th Annual Day was not merely a performance, but a vibrant testament to the school's commitment to nurturing values, vision, and versatility.

Exploring Careers in Defence: Inspiring Courage & Commitment at AWS

At Academic World School, we believe in shaping futures defined by courage, discipline, and service to the nation. In this spirit, our Class XI students, Class XII boarders, and NCC Cadets attended an inspiring session on Careers in Defence, conducted by Sub Lt. Prakhar Kumar, a dynamic young officer of the Indian Navy.

He shared valuable insights into pathways such as NDA, CDS, and technical entries, while also highlighting the honour and fulfilment of serving in the Armed Forces. Students gained clarity about life in the Army, Navy, and Air Force, understanding both the challenges and rewards. An engaging Q&A session allowed them to explore training, career progression, and values central to defence careers.

In a special interaction, NCC Cadets were motivated to uphold discipline, leadership, and patriotism as they prepare for their own journeys. The enthusiasm and pride displayed reflected the inspiration defence careers ignite, reminding us that service begins with awareness and aspiration.

A Day of Legacy and Celebration: Convocation & Farewell 2026

On a day marked by tradition and transition, Academic World School hosted the Convocation Ceremony and Farewell Party for the Class of 2026. The back-to-back events served as a poignant tribute to the students' journey and a grand celebration of their future.

The Convocation Ceremony

The morning commenced with the formal Convocation, where the Batch of 2026 received their Scrolls of Legacy. We were honoured to welcome Mr. Ramkrishna Sahu, IPS (SSP, Bemetara) as our Chief Guest. In his inspiring address, Mr. Sahu encouraged the young scholars to uphold discipline and excellence as they approach their upcoming CBSE Examinations. The turning of the tassels symbolized a transition from protected students to responsible torchbearers of the school's values.

The Farewell Gala

As evening fell, the atmosphere shifted to one of "Grace & Gratitude" for the Farewell social. The highlight of the night was the crowning of student representatives for their poise and character:

- Mr. & Ms. Farewell: Saumya Mishra and Aditi Tiwari
- Face of the Evening: Shaurya Sahu

The Principal's heartfelt speech reminded students to remain humble and stay anchored in positive thoughts. The festivities concluded with a vibrant DJ Night and a formal dinner, allowing the class to share one final evening of laughter and melody.

We wish the Class of 2026 immense success in their boards and all future endeavours!

Learning Beyond Classrooms: Students Explore the High Court of Chhattisgarh

A group of students from Academic World School recently visited the High Court of Chhattisgarh as part of an educational excursion designed to deepen their understanding of the Indian judicial system. The visit proved to be both informative and inspiring, offering valuable real-world exposure to the functioning of the judiciary.

Students were introduced to the history and importance of the High Court, gaining insight into its role in upholding justice in the state. Briefing by the Chief Security Officer An engaging session by the Chief Security Officer helped students understand the structure of the judicial system and the essential role courts play in the administration of justice.

The group also visited the Judicial Academy, where trainee judges receive professional training after their appointment. This gave students a glimpse into the preparation and responsibilities involved in becoming a judge. Live Court Proceedings One of the most impactful moments was witnessing live court proceedings. Observing real cases in session helped students connect theory with practice.

The highlight of the excursion was a warm and insightful interaction with the Honourable Chief Justice of the High Court of Chhattisgarh. The Chief Justice spoke openly with the students, explaining the core functioning of the judiciary and encouraging them to approach law and justice with curiosity and integrity. The visit enriched students' understanding of the judiciary's structure and its vital role in safeguarding justice. By stepping into the real environment of a court, students experienced learning beyond textbooks — an exposure that broadened perspectives and inspired respect for the legal system.

Republic Day 2026: A Celebration of National Integrity

Academic World School, Bemetara, celebrated the 77th Republic Day with profound patriotic fervour and disciplined grace. The event commenced with a rhythmic March Past, where students displayed exceptional coordination and school pride.

The spirit of unity was further elevated by a stirring group song, which resonated through the campus, celebrating India's cultural diversity. Inspiring speeches by faculty and student representatives reflected on the values of our Constitution, urging everyone to uphold their responsibilities as citizens. The ceremony stood as a powerful reminder of our shared commitment to national integrity, leaving the AWS community inspired and united.

AWS Robotics Team Secures National Glory at Technology Conclave 3.0

The Robotics Team of Academic World School, Chhattisgarh achieved remarkable success at the prestigious The Doon School Technology Conclave 3.0, hosted by The Doon School. The national-level event brought together 13 leading institutions from the Boarding Schools Association of India, creating a highly competitive platform for innovation and technological excellence. Participating schools included renowned institutions such as Mayo College, Scindia School, Unison World School, Yadavindra Public School, Welham Girls' School, St. George's College, and All Saints' College, among several other top boarding schools from across the country.

Representing AWS with excellence were the four-member team — Akshat Tiwari (Team Leader), Jaydeep Sahu, Gungun Verma, and Yogita Banjare — under the guidance of their teacher coordinator, Ms. Shabana Bano. Competing in one of the most challenging categories of the conclave, the team secured the distinction of being the Overall 3rd Best Team, successfully building the fastest bot and completing the target task in an impressive 32 seconds. Adding to this proud achievement, Akshat Tiwari received special recognition from the jury and was honoured with the Individual Award for “Best Mechanical Work” for his exceptional contribution to the robot's mechanical design, structural precision, and on-field performance.

This dual accomplishment highlights the school's growing strength in STEM education and reflects the dedication, innovation, and technical excellence of its young achievers. Competing and excelling on such a prestigious national platform marks a proud milestone for Academic World School and reaffirms its commitment to nurturing future-ready innovators.

Future Leaders in Action!

From 20th to 22nd February 2026, our bright minds—Abeer Sharma, Harjyot Singh Gumber, Prabuddha Girish Kumar, and Sarvess Patel—represented us at the ICAN Workshop hosted by the prestigious Lawrence School, Sanawar, Himachal Pradesh.

Immersed in a simulated real-world environment, they stepped into the shoes of policymakers, entrepreneurs, marketers, and media professionals. Assigned to the Political Committee, our students organized rallies, delivered powerful speeches, and debated with conviction. With Abeer Sharma leading his party, they showcased remarkable leadership, teamwork, and communication skills.

Beyond the committee rooms, the workshop became a melting pot of ideas—bringing together students from across schools, sparking friendships, and broadening perspectives.

This experience wasn't just about politics—it was about shaping informed, confident, and visionary individuals ready to take on the world.

A Cultural Sojourn to Remember

A one-day cultural trip was organised for the boarders to ChokarDhani with the objective of providing experiential learning and exposure to India's rich cultural heritage. The visit offered students an immersive experience of Rajasthani traditions and folk culture. They enjoyed vibrant folk music and dance performances, engaging puppet shows, captivating magic acts, as well as camel and bullock cart rides. The lively atmosphere created a perfect blend of recreation and cultural learning. The day concluded with a traditional Rajasthani meal, served with warm hospitality embodying the spirit of 'AtithiDevo Bhava.' The trip not only enriched students' understanding of cultural diversity but also strengthened peer bonding beyond the classroom environment. It was a fulfilling and memorable experience for all.

Boards without Fear: Calm, Confident, Unstoppable

A combined counseling and orientation session was conducted for Classes X and XII boarding students to help them prepare holistically for their Board Examinations. The session focused on understanding exam stress, its causes, symptoms, and impact on performance while equipping students with practical tools to manage it effectively. Students were guided through meditation, breathing exercises, yoga, healthy lifestyle habits, smart study strategies, and effective time management techniques. Emphasis was laid on structured preparation and, above all, believing in oneself during crucial moments. The interactive session helped students reset anxieties, sharpen focus, and step into their exams with clarity and confidence.

Bonfire Bliss: Celebrating the Spirit of Lohri

Lohri lit up our school campus with warmth, rhythm, and pure joy. As the bonfire crackled under the winter sky, students and teachers gathered together to celebrate gratitude, harvest, and new beginnings. The air echoed with folk songs, laughter, and the energetic beats of traditional dance. Dressed in vibrant ethnic attire, everyone embraced the festive spirit with enthusiasm. Groundnuts, Rewri, and popcorn were shared around the fire, symbolizing prosperity and togetherness. The celebration was not just about rituals, it was about unity, culture, and creating memories that will glow in our hearts long after the flames fade. Lohri reminded us that when we come together, we shine brighter just like the fire that brought us all closer.

United on the Pitch: Celebrating the True Spirit of Republic Day

To celebrate the true spirit of Republic Day, the boarding students organized a friendly cricket match between the Class XII boarders and staff members. The match added a vibrant and energetic touch to the day's celebrations. More than a competition, the game symbolized unity, sportsmanship, and mutual respect. The field echoed with cheers, friendly banter, enthusiastic strokes, and moments of shared laughter as students and teachers came together on the same pitch. The event beautifully reflected the essence of Republic Day togetherness, teamwork, and collective joy making it a memorable highlight of the celebrations.

Served with Gratitude, Shared with Respect

In a heartfelt gesture of appreciation, the Class XII boarders hosted a special lunch for their subject teachers. The occasion was marked by warmth, humility, and sincere gratitude. The students personally served the meal, expressing their respect and thankfulness through thoughtful and affectionate gestures. The gathering beautifully reflected the strong bond between teachers and students—one built on guidance, trust, and mutual admiration. The event was not just a lunch, but a meaningful celebration of respect and gratitude that defines the true spirit of our school community.

Rangotsav @2026: Colours, Cheer, and Togetherness

Holi in the Boarding House unfolded as a vibrant celebration of joy, unity, and shared happiness. Though miles away from their families, the children filled the space with warmth, proving that togetherness can turn any place into a true home.

The children played with gulal and happily coloured each other in shades of pink, yellow, and green. They enjoyed festive sweets and spent time dancing together to lively music. The campus was filled with laughter, fun, and cheerful moments that everyone truly enjoyed.

Beyond the colours and celebration, the day strengthened bonds, lifted spirits, and created memories that will glow brightly in their hearts for a long time to come.

Celebrating the Joy of Christmas: Filling Hearts with Love and Cheer

Academic World School celebrated Christmas with great enthusiasm, spreading love and kindness across the campus. Students showcased their talents through melodious performances, graceful dances, and a poignant drama on Jesus Christ's birth. Santa Claus brought smiles and joy at every corner. The Principal Mr. Girish Kumar's inspiring address highlighted the true essence of Christmas: spreading kindness by giving and sharing. The celebrations created unforgettable memories, fostering joy, peace, and hope among students.

"Sustainable Dreams, Vibrant Displays"

Academic World School's students took a significant step towards promoting Sustainable Development Goals through creative class board decorations. Each grade level focused on a specific goal, showcasing their understanding and vision for a better future.

Grade III: Affordable and Clean Energy explored energy-efficient solutions and renewable energy sources.

Grade IV: Clean Water and Sanitation highlighted the importance of conservation and hygiene practices.

Grade V: Reduced Inequality emphasized inclusivity and equal opportunities for all.

Grade VI: Gender Equality promoted women's empowerment and girls' education.

Grade VII: Peace, Justice and Strong Institution displayed the importance of rule of law and human rights.

Grade VIII: Decent Work and Economic Growth highlighted entrepreneurship and sustainable livelihoods.

These thought-provoking displays demonstrate our students' commitment to create a more sustainable and equitable world.

"Earthquake Drill, Safety Skill"

Academic World School successfully conducted an Earthquake Safety Drill, promoting emergency preparedness and safety awareness among students. The drill demonstrated key safety practices:

- Drop, Cover & Hold
- Safe and systematic evacuation
- Using school bags as head protection
- Maintaining calm, discipline, and cooperation

The drill reinforced our commitment to safety and preparedness, making Academic World School a safer place for all.

Math's Fest: Where Numbers Meet Creativity

Academic World School's Junior Wing hosted a vibrant Maths Fest, transforming mathematics into an exciting adventure! Students showcased their talents through innovative projects, fun-filled games, and real-life applications, highlighting the beauty of numbers. The fest featured projects on Number Systems, Algebra, Geometry, and more, alongside Sudoku, MathsLudo, Rapid Calculations, and Brain Teasers. A mathematical casino and 'Grow Bank' simulated real-world banking, while 'Best out of Waste' creations promoted sustainability. The Fest boosted confidence, creativity, and problem-solving skills, proving maths can be fun and engaging.

"Nukkad Natak: Drama with a Difference"

Academic World School's Junior Wing hosted a powerful NukkadNatak Competition, where students addressed pressing social issues through street plays. The event saw four houses tackle unique themes:

- Aryabhatta House: Food wastage & healthy eating
- Bhabha House: Dreaming of a peaceful world
- Kalam House: Mobile addiction
- Raman House: Clean India, Green India

Kalam House was winner and Raman House was runner-up. The event showcased students' creativity and commitment to social causes, inspiring awareness and change.

Republic Day Special Assembly: Tiranga in Heart, Unity in Soul

Academic World School celebrated Republic Day with grandeur, filling the atmosphere with patriotism and pride. The special assembly featured captivating performances, including a patriotic dance and melodious choir singing, echoing unity and nationalism. Inspiring speeches in Hindi and English highlighted the significance of the day, reminding everyone of their duties as responsible citizens. Students dressed in tricolour costumes added to the festive spirit.

Our Principal's message encouraged upholding the Constitution's ideals, followed by an engaging interactive session. The event culminated in a renewed sense of patriotism, leaving everyone filled with pride, unity, and love for the nation.

Road Safety: Protect Yourself, Protect Others

Academic World School observed Road Safety Week with impactful special assemblies, emphasizing road safety awareness. Students presented vibrant posters highlighting crucial traffic rules, such as wearing helmets, following traffic signals, and respecting pedestrian zones. The highlight of the week was the engaging role-plays depicting safe road practices, where students showcased scenarios like crossing roads safely and the dangers of distracted driving. The event reinforced the importance of safety on every journey, empowering students to be responsible road users and equipping them with knowledge for a safer tomorrow.

Vasant Panchami: Petals of Wisdom and Blossoms of Success

Academic World School celebrated VasantPanchami, welcoming the season of spring and knowledge with vibrant energy. The festivities began with the lighting of lamps and floral offerings to Maa Saraswati, invoking her blessings for wisdom and learning. Students enthralled the audience with soulful renditions of SaraswatiVandana, captivating dance performances, and serene chanting of shlokas, bringing the goddess of knowledge to life. The celebration highlighted the importance of embracing education and wisdom, filling hearts with joy and positivity. The event was a vibrant tribute to the goddess of knowledge, marking the onset of spring and the pursuit of success.

A Letter to Santa

The primary wing was filled with joy as students of Grades 1 and 2 came dressed as little Santas in red and white. Their adorable appearances spread festive cheer all around. As part of the activity "A Letter to Santa," children wrote heartfelt letters expressing their innocent wishes, dreams, and happiness. Each letter reflected creativity and pure emotions. The students also showcased their hands-on creativity through colorful charts and Christmas tree decorations, making the atmosphere even more magical with smiles and laughter. The celebration concluded with Santa distributing delicious muffins, which delighted the children. Seeing Santa up close made the day truly memorable, filling young hearts with Christmas spirit, love, and wonder.

Celebrating Republic Day with Pride

A Special Assembly was conducted to celebrate the 77th Republic Day of India with great enthusiasm and patriotic spirit. The stage was beautifully decorated in tricolour, creating a vibrant and festive atmosphere. The highlight of the assembly was the energetic patriotic dance performances by the foundational stage students. Dressed in colourful tricolour costumes, the young performers expressed their love and respect for the nation through their graceful movements and confident expressions. They also presented a melodious patriotic song that filled the surroundings with pride and joy. Their coordinated steps and sweet voices captivated the audience and made the celebration memorable.

Food is a Gift – Don't Waste It

Primary wing conducted a special assembly on the theme "No Wastage of Food." Where the young learners of Grades- I and II presented a meaningful skit highlighting the importance of valuing food and avoiding waste. Through simple dialogues and actions, they showed how food is precious and should not be thrown away. The students conveyed the message that many people do not get enough food to eat, so we must take only what we need and finish our meals. The skit was informative and heart-touching. It encouraged everyone to develop good habits and respect the value of food.

Little Storytellers in Action

The Primary Wing organized a Story Telling Competition for Grades I and II students with great enthusiasm and excitement. The event witnessed the participation of our little storytellers who confidently presented interesting and imaginative stories in both Hindi and English. The young participants came well-prepared and narrated their stories with expressive gestures, clear pronunciation, and lively expressions. Their confidence and creativity truly impressed the judges and the audience. The competition provided a wonderful platform for students to showcase their speaking skills and imagination. Some stories were full of moral values, while others were humorous and entertaining. The audience appreciated the efforts of each child with loud applause, making the event a memorable experience for everyone. Such activities help in building confidence and improving communication skills among students. They also encourage creativity, imagination, and a love for language.

Learning Outside the Classroom – Visit to Anantra Mart

Our Grade 1 and Grade 2 students enjoyed an educational field trip to Anantra Mart. The visit provided them with a real-life shopping experience and practical learning opportunity. Students explored various food items and products displayed in the mart with great enthusiasm. Each child brought a small amount of money and independently purchased items of their choice, which helped them understand the value of money. They learned how to handle cash, make payments, and observe the billing process. The activity also introduced basic concepts like expenditure and the importance of spending wisely. Students carefully checked product details such as manufacturing and expiry dates, gaining awareness about smart buying habits. The trip encouraged independence, confidence, and decision-making skills among students. Overall, it was a joyful and meaningful experience that successfully blended fun with valuable real-world learning.

Little hands create big dreams through beautiful writing.

Our Grades I & II students enthusiastically participated in the “Write to Win” Handwriting Competition, celebrating the beauty of neat and confident writing.

The activity beautifully highlighted that every child's handwriting is unique—just like having their own special font. Through this joyful competition, students learned that handwriting is not only about perfection, but also about individuality, regular practice, and self-expression.

Every participant displayed creativity, confidence, and sincere effort, making the event truly meaningful.

Such activities help develop fine motor skills, boost self-confidence, and nurture a love for learning at an early age.

AWS Got Talent: Nurturing Young Confidence and Creativity

The Pre-Primary section celebrated “AWS Got Talent” with great enthusiasm, providing young learners a platform to showcase their abilities through singing, storytelling, and show and tell. The event continued with a lively outdoor dance performance, beginning with an energetic teachers' dance that set a joyful tone. Filled with smiles and applause, the celebration successfully encouraged self-confidence, communication skills, and creative expression in a fun and supportive environment.

Basant Panchami: Celebrating Wisdom and the Spirit of Spring

The Foundational Stage celebrated Basant Panchami with devotion and joy. The assembly began with a floral tribute to Goddess Saraswati, followed by a graceful dance by the Pre-Primary students and shloka chanting by the Primary students, creating a serene atmosphere. The celebration beautifully welcomed the arrival of spring while seeking blessings for knowledge and wisdom.

Blooming Beauty Day: Celebrating Creativity and Nature

The Pre-Primary students celebrated Blooming Beauty Day with enthusiasm and creativity. They crafted colorful paper flowers, arranged bouquets, and brought real flowers from home to share. The children also participated in a sensory activity by touching, smelling, and observing different blooms, followed by a visit to the school garden to connect with nature. The celebration fostered creativity, enhanced sensory development, and encouraged a love for nature among young learners.

Santa's Magical Day: A Joyful Festive Celebration

The Pre-Primary section celebrated Santa's Magical Day with great enthusiasm and festive spirit. Dressed in red and white, students and teachers added vibrancy to the event with lively dance performances. The highlight was the cheerful arrival of Santa Claus, who joined the children for a fun-filled dance. Engaging Santa-themed games and delicious muffins made the celebration even more delightful. The day was filled with laughter, happiness, and memorable moments for everyone.

Fun with Science : Inspiring Young Minds through Discovery

The Pre-Primary students celebrated Fun with Science Day with great excitement and curiosity. Nursery children explored engaging experiments like the Lava Lamp and Snow Storm, while Prep I discovered concepts through activities such as Dancing Popcorn and a candle experiment. Prep II students learned through hands-on experiences with Sink and Float and States of Water. The assembly featured fascinating teacher demonstrations, including Invisible Hand Print, Hair Raising, and String Phone experiments, making science both enjoyable and magical. The day successfully nurtured curiosity, scientific thinking, and experiential learning in an engaging environment.

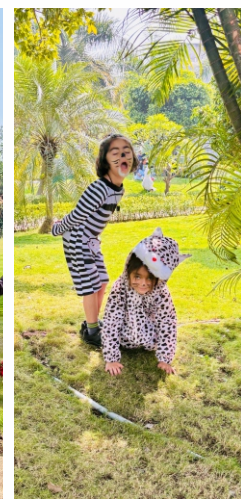

Golden Bonds: A Heartwarming Grandparents' Day Celebration

The Foundational Stage celebrated Grandparents' Day with great warmth and joy. The event commenced with a graceful welcome dance inspired by the Ramayan, setting a vibrant cultural tone. Grandparents enthusiastically took part in the "Jodi No. 1" game, celebrating their enduring bond. The young students presented a heartfelt tribute dance, followed by the lively "Bollywood Buzz" game that brought laughter and applause to the gathering. The celebration concluded with a delightful mini fair featuring trampoline fun, popcorn, and candy floss, leaving everyone with beautiful and lasting memories.

Jungle Safari: A Fun – Filled Learning Adventure

The Pre-Primary students celebrated Jungle Safari with enthusiasm and joy. Dressed as various animals and elements of nature, each child confidently spoke a few lines about their character, showcasing creativity and confidence. The event became even more lively with energetic dances to jungle-themed songs, creating a cheerful atmosphere. The celebration aimed to enhance speaking skills, build awareness about animals and nature, and promote creativity through joyful learning, making it a memorable experience for the young explorers.

Literacy Fest: Celebrating Early Reading and Learning

The first photograph shows a young boy in a red and blue jacket interacting with a white box labeled 'Action Words'. The box has various drawings and text including 'Under', 'cry', 'eat', 'ON', 'climb', 'in', 'Kick', and 'Postcardal Man Read'. The second photograph shows a young girl in a red and blue jacket cutting out letters on a green table. The letters are arranged in a grid. The third photograph shows a young boy in a red and blue jacket standing next to a table covered with a white cloth. On the table is a chalkboard with the text 'शब्द खोजो खेल खेल में' and a drawing of a house.

Little Achievers' Graduation: Celebrating Milestones and Memories

Every Grain Matters: Promoting Awareness on Food Conservation

The Primary and Pre-Primary sections conducted a special assembly on “No Wastage of Food.” Primary students presented a skit emphasizing the value of every grain and the importance of sharing, while Pre-Primary students conveyed the message through an engaging nukkad natak. The assembly aimed to raise awareness about saving food, reducing wastage, and fostering gratitude for the blessings we receive each day.

Little Farmers' Adventure: Exploring Nature at Poonia Farm

Pre-Primary students enjoyed an educational visit to Poonia Farm in Jhal, where they observed various fruits and vegetables and learned about their growth. The experience included sharing healthy snacks and creating joyful memories with friends. The trip aimed to build awareness about nature, help children identify fruits and vegetables, and promote healthy eating habits.

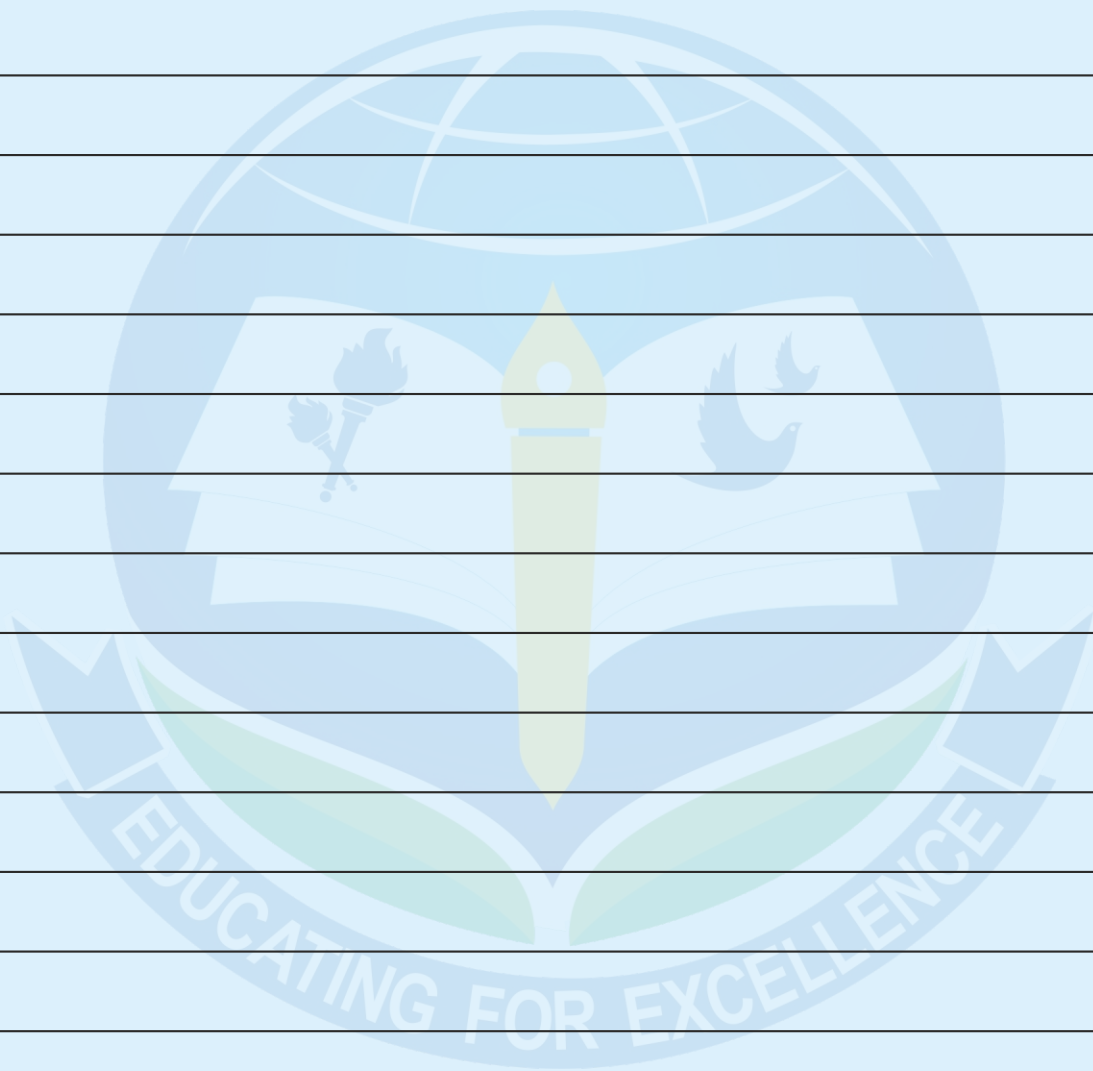

Celebrating the Spirit of Holi

The Pre-Primary wing celebrated Holi with great enthusiasm and joy. Children happily applied colours to their friends and teachers, spreading love and togetherness across the campus. The celebration was filled with cheerful smiles, tasty treats, and energetic dances to lively Holi songs, creating a vibrant festive atmosphere. The event aimed to help children understand the importance of festivals and Indian culture while promoting sharing, caring, social bonding, and joyful participation. It was a memorable day filled with happiness, colours, and meaningful learning experiences.
